O R D E R

Upon review of the document filed by the plaintiff on August 16, 2006 (Court Doc. No. 27), which the court construes to contain a motion for status, and for good cause, it is

ORDERED that this motion be and is hereby GRANTED. The plaintiff is advised that this case remains pending before the court on his complaint, the written reports and supporting evidentiary materials filed by the defendants, and his response in opposition to the defendants' reports. The plaintiff is further advised that ***no additional pleadings are necessary for disposition of the issues presented in the complaint*** and he will be advised of any action taken by the court in this case.

The court is aware that the complaint has been pending since June 1, 2005 but the requisite pleadings were filed only as of March 1, 2006. The court's caseload of actions pending under 42 U.S.C. § 1983 makes it extremely difficult to expedite resolution of the instant complaint, particularly since the court has adopted a policy of disposing of cases on the basis of length of pendency. The court assures the parties that a determination of the issues presented in this case will be undertaken in due course.

Done this 17th day of August, 2006.
